

Bob and Jeanne Strobel

January 26, 2020

Bob & Jeanne update:

2020 greetings in the Name of Jesus, the Name that is above all names. We have entered into a new decade and of all things, it is >2020=. What does God have in store? We are believing for GOOD things, and I know God has them for us.

As all of you know, at the end of 2017 my life as it was ended as I had known it and for the last 2 years I have been in a state of healing and restoration. I'm still not 100%, but definitely down the road far enough to press further into what God has for Jeanne and I with more strength. Even though we have continued on with ministry and traveling during this time it has been hindered by the healing process, and doctor=s stuff, etc.

During this time I have been in a spiritual place described in Habakkuk of standing watch to see what the Lord would speak to me. It has been a growing and changing experience to say the least.

I was talking and praying with a wonderful friend from Georgia, Pastor Jerry Stuart, recently and he spoke many encouraging words to me. A word came to him as we were speaking which he believed I needed. I had never heard of the word before. The word is >spizzerinctum= and the meaning of the word really describes what I need for what is ahead of us and what I believe the Lord has for all of us in >2020=. The meaning is: (>chutzpah, guts, nerve, or backbone, determination, ardor or zeal).

Jeanne and I will be returning to the Philippines on January 30th. We also hope we can get over to Singapore during our time in Asia if it is God=s Will. If it is God=s timing, we will have the time and funds to do it.

As we have written before, Tina Worthington has become a vital part of our ministry there. She has gone there at times in our absence and really has filled a gap, but more than that she increased what we have been doing for all of these years. She just returned from there a few weeks ago with a good report and wonderfully prepared things for our return.

We continue to thank God for all of you who are so special to us and pray and support us.

May God bless you and cause His Face to shine upon you and give you >spizzerinctum=!

We Love you!!!
